*Dated Aizawl, the 21<sup>st</sup> May, 2020*

To

All Deputy Commissioners & Chairman,  
District Disaster Management Authorities,  
Mizoram.

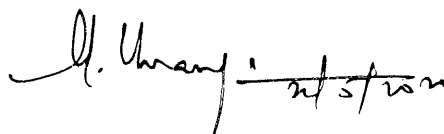

Subj.: ***Earmarking quarantine centres for military and paramilitary units.***

Sir,

I am directed to state that an event may arise in future, wherein quarantining of Defence personnel posted in Mizoram may be required due to their mobility. Therefore, it is felt that earmarking of suitable and convenient facility for quarantining of Defence personnel may be made in advance.

In this connection, considering the location of Defence and Paramilitary units in various districts of Mizoram, it is believed that some of them may have suitable facilities for quarantine of their own personnel. Therefore, it is requested that earmarking of such facilities for quarantining of defence personnel may be made in advance, with due consultation with their respective units. Approval of the Government may be obtained after completion of the identification process.

Yours faithfully,

**(Dr. MALSAWMTLUANGA FANCHUN)**

Under Secretary to the Govt. of Mizoram
