

No.B.13021/187/2020-DMR/Vol-I
GOVERNMENT OF MIZORAM
DISASTER MANAGEMENT & REHABILITATION DEPARTMENT

Aizawl, the 26th of April, 2021

NOTIFICATION

Consequent upon the imposition of mandatory quarantine upon all persons entering Mizoram, except persons for short stay, vide order No.B13021/101/2020-DMR/Vol-III dated 19.04.2021, it is the considered view of the Government that institutional, community and hotel quarantine be operated afresh as some persons to undergo quarantine may not have suitable space at their residence for strict self monitoring. Meanwhile, considering the financial constraint faced by the Government and the austerity measures that have been taken, there are no more justifiable points to continue to bear all the expenses toward operation of quarantine. Hence, all expenses related to quarantine shall continue to be borne by the persons concerned until further orders. This Order shall supersede all previous regulatory orders issued in connection with COVID-19 paid quarantine.

Furthermore, the following revised guidelines shall be adhered to in the process of quarantine.

1. All persons entering Mizoram who have tested negative by RA_gT at entry points shall mandatorily undergo 7 (seven) days quarantine/self monitoring either at home or any other quarantine facilities. They shall be tested with RT-PCR/TrueNat after seven days, if the result is negative they shall be no longer required for quarantine.

However, it is to be ensured that separate bedroom and separate toilet, exclusively for the quarantine are available. Members of family under home quarantine shall not go outside and shall not have any visitors for 7 days. If such facilities are not available at one's residence/place of stay, the person(s) subjected to quarantine may opt for either community, institutional or hotel quarantine at one's own expense as a safety measure. **LLTFs/VLTFs shall ensure** that persons under home quarantine are strictly adhering to these regulatory protocols.

3. Community Quarantine facility:

LLTFs/VLTFs are expected to identify at least one community quarantine facility, within their respective locality, as a measure of preparedness for any unprecedented sudden surge of cases. This is also envisaged to quarantine persons of the locality who were not having suitable space at their residence for self monitoring at home. However, prior approval of the concerned Deputy Commissioner and the advise of Health & Family Department should invariably be obtained. The operation and management aspect will be the task of the concerned LLTF/VLTF.
